

Curriculum Vitae

1.0 Personal Information			
Full Name of Staff	Paulette Euranie Bynoe		
Current Address	176, Section A, Block X, Great Diamond, East Bank Demerara, Guyana		
Telephone	+592-216-2635 or +592 616 3703		
Email	paulette.bynoe@uog.edu.gy ; bynoep2000@yahoo.com		
Unit	UG School of Graduate Studies and Research (UGSGSR)		
Current Academic Position	Professor		
Administrative Position	Dean, UG School of Graduate Studies and Research (SGSR)		
2.0 Educational Attainment			
Year	Institution	Qualification Attained/Certificate	Programme of study
2005	University of Sussex (UK)	PhD	Geography (Thesis focus: Ecotourism, Institutions and Sustainable Livelihoods)
1995	University of Bradford (UK)	MPhil	Environmental Education
1989	University of Guyana	BA	Geography
Certificate Programmes			
2019	International Impact Assessment Association (IAIA)	Cumulative Effects Assessment	
2018	Soil Association Certification Ltd., (UK)	Responsible Forest Management and sustainable Forest Product Supply Chains	
2011	Japanese International Cooperation Agency	Flood Risk Analysis and Community Based Disaster Management Training Programme	
2010	University of Cambridge (UK)	Economics of Climate Change, including climate change science, adaptation, mitigation, economic appraisal, climate negotiations, and awareness and advocacy.	
2007	International Association of Impact Assessment (Seoul, South Korea)	Sustainability Assessment	
2001	Stockholm University, Sweden,	Remote Sensing Education for Educators	
2001	International Association of Impact Assessment, Hong Kong	Strategic Environmental Assessment and Environmental Impact Assessment	

1998	University of Dalhousie (Canada)	Environmental Management, including Environmental Impact Assessment
3.0 Academic Awards and Fellowships		
Year	Title of Award/Fellowship	Awarding Institution
1982	Most Dedicated Teacher Award	West Demerara Secondary School
1984	Undergraduate Degree Programme	Public Service Management / Government of Guyana Award
1987	Faculty of Arts Prize for Outstanding Second Year Student	Faculty of Arts, University of Guyana
1989	Best Graduating Student of Geography	Department of Geography, University of Guyana
1995	Post Graduate Student (Environmental Education)	Duke of Edinburgh/British Council Award, 1995
2001	PhD Scholarship	University of Guyana/European Union
1994	MPhil Scholarship	University of Guyana/European Union
2007	Swedish International Development Agency Grant	Swedish International Development Agency
2010	Chevening Fellowship	British Council
Other		
2015	Golden Arrow of Achievement (AA) for environmental education, awareness and training and for research contribution to natural resource/environment policy making	The Cooperative Republic of Guyana
4.0 Most recent teaching duties over the past 5 years		
Year	Course Code	Course title
The University of the West Indies, St Augustine Campus		
2013 -2018	BIO 6214	Environmental Resource Policy (component of MSc Programme in Biodiversity and Sustainable Development for CARPIMS Project) online programme delivered to students in Belize, Fiji, Solomon Islands, Belize, Barbados, Guyana, Suriname, Haiti, and Trinidad and Tobago, among others
University of Guyana		
PhD in Biodiversity		
2015-2016	BDS6002	Research Methods
Postgraduate Diploma MSc in Environmental Management Programme		

2014 to 2018	ENV 5107	Introduction to Environmental Management
2014 to 2018, 2021-2023	ENV 5207	Environmental Research Methods
2013 to 2017	ENV 5101	Contemporary Environmental Issues
2013 to 2017, 2024	ENV 5301	Environmental Impact Assessment
2013 to 2016	ENV 5210	Community-Based Disaster Risk Management
2014 to 2016	ENV 5105	Disaster Risk Management in the Caribbean
Undergraduate level		
1995-2013	ENV 1101	Introduction to Environmental Education
1995-2013	ENV 221	Environmental Issues IN Guyana and the Caribbean
1995-2013	TST 121	Introduction to Ecotourism
1995-2013	GEO 3201	Spatial Issues in the Caribbean and Latin America
2018	LAM1102	Sustainable Land Management
2018	ENV 3105	Introduction to Environmental Policy and Governance
5.0 Administrative Responsibilities over the past 5 years		
Period (from-to)	Responsibility	
Present	Dean, School of the UG Graduate Studies and Research	
March 2021 April 2024	Deputy Dean/Dean (ag) of the UG School of Graduate Studies and Research (SGSR)	
2016 to 2018	Dean of Faculty of Earth and Environmental Sciences (FEES): In addition to duties outlined under Director of SEES, the following tasks were added: Spearheaded development of new BSc Environmental Sciences Programme, as well as Professional Diploma in Land Management and Administration.	
2013-2016 and 2009-2013	Director of SEES Undertake all administrative duties of the School including dealing with staff and student matters, reviewing and updating the Curricula, coordinating public forums and spearheading the process of developing a Strategic Plan for the School. Develop and lecture post-graduate and undergraduate courses. Establish networks with stakeholders (academic, private sector, regional and national institutions, among others) Provide leadership in the areas of research and public outreach.	
2008-2009	Director (ag) of SEES	

	<p>Undertake all administrative duties of the School, including dealing with staff and student matters, reviewing and updating the curriculum, coordinating public forums and spearheading the process of developing a Strategic Plan for the School.</p> <p>Lecture post-graduate and undergraduate courses.</p> <p>Establish networks with stakeholders (academic, private sector, regional and national institutions, among others)</p> <p>Provide leadership in the areas of research and public outreach.</p>
1995-2011	Mentor, Final Year Students
2005-2009	Coordinator of Students' Research Projects
Jan-Dec. 2020	<p>Senior Technical Expert, G77 and China Secretariat, Ministry of Foreign Affairs and International Cooperation, Georgetown, Guyana.</p> <p>Responsibilities:</p> <p>Convene and conduct G77 and China Plenary meetings.</p> <p>Participate and represent the Group in climate change meeting, as deemed necessary.</p> <p>Prepare and deliver statements on behalf of the Group at special meetings</p> <p>Provide leadership in the collective setting of strategic goals for CoP meeting scheduled for 2021</p>
6.0 List of Ongoing and Recently Completed Research Projects	
Title	
Collaborator(s)	

Ongoing	
<p>Water issues in the Caribbean Region, from 1950 to the present time</p> <p>As part of the Anthropocene Project. The Anthropocene as a Multiple Crisis. Perspectives from Latin America". First Water Volume.</p>	Dr Jewel Liddell
Climate Change Vulnerability of selected local communities' fishery systems in Guyana.	-
Completed	

Urban Flood Risk Management in Georgetown, Guyana and Kingston, Jamaica. Commonwealth Trust Fund.	Arpita Mandal
The Health System Response to Climate Change in Guyana: A Mixed-Methods Case Study (Draft submitted to WHO) 2022-2023. WHO Project.	Cecil Boston, Reeta Gobin, Quincy Jones, Nayan Persaud, Olly Perreira, Sharlene Goberdhan and Ashley Barakat
Confronting the Challenge of Managing Informal Settlements: A Critical Review of the Case of Plastic City in Guyana. 2019.	Rawle Edinboro and Diana Khadija Benn
An Assessment of Secondary and Post- Secondary School Students' Awareness, Attitudes and Behaviour towards Global Environmental Problems. 2018.	
Climate Risks, Vulnerability and Adaptation Options: Implications for the Lethem Development Plan. A CCORAL Project financed by the CARICOM Climate Change Centre 5Cs.	Seon Hamer, Denise Simons, Allyson Stoll, among others
IPCC Sea Level Rise Projects and the implications for selected coastal communities in Guyana	
Urban Governance and Environmental Sustainability in Georgetown, Guyana	
Public Opinion on Water Resources Management and Climate Change in the Guyana Amazon (An ACTO Research Project)	Denise Simmons, Marlon Bristol and Linda Bhola Johnson
Interdependence between Ecotourism and Biodiversity Conservation July- August 2016	Jewel Liddell
Biodiversity Use and Rural Poverty Alleviation July-August 2016	-
Improving the nutrition and health of CARICOM populations through sustainable agricultural technologies that increase food availability and diversity of food choices. UWI/McGuill/UG project. Principal Investigator (UG)	Denise Simmons. Jewell Liddell, Seon Hamer, Kaslyn Holder-Collins, and Dr. Elroy Charles

7.0 Selected Students' Thesis and Research Project Supervision Completed

Year	Name of student	Title of thesis/project	Level
2024 +	Oleta Williams	An Assessment of Conservation Finance Mechanisms for Effective Protected Areas Management in Guyana and Belize	PhD
2022/2023	Floyd Rollins	An Assessment of the Efficiency of the Solid Waste Collection System in Georgetown, Guyana	MSc
2022/2023	Elon Mc Curdy	A Qualitative Assessment of the Institutional Framework for Hazardous Waste Management within the Guyana Oil and Gas Sector	MSc

2022/2023	Rehana Ragobeer	The Impacts of the Covid-19 Pandemic on the Operations of a Protected Area in Guyana	MSc
2022/2023	Waynace Forde	Public Participation in the Environmental Impact Assessment (EIA) Process in Developing countries: A Systematic Review	MSc
2017/2018	Rueben Robertson	Cassava Biodiversity: Implications for Green Marketing, Climate Change and Sustainability in Guyana	PhD
2017/2018	Leon Folkard	Goods and Services of Wetland Utilised by Households in Guyana: The Case of the Mahaica, Mahaicony and Abary Area.	MSc
2015/2016	Padmini Ragnauth	An Assessment of the Effectiveness of Community Forestry Arrangements in Guyana	MSc (UWI)
	Hemwantie Singh	Community Participation as a Prerequisite to the Sound Management and Protection of the Dakoura Watershed	MSc (UG)
2014/2016	Renwick English	Examining the level of public health emergency preparedness and response of regional health institutions on the Coast of Guyana.	MSc (UG)
2014/2015	Shevon Wood	The Effect of Renewable Energy on Sustainable Livelihood in selected rural communities in Guyana	MSc (UG)
2011/2012	Colin Mattis	An Investigation into the readiness of Guyana for the implementation of the REDD+ Mechanism and the Achievement of a Low Carbon Economy	MSc (UWI)
2009	Assanke Koedam	Flooding and Vulnerability: A Research on Experiences and Perceptions of households in Georgetown, Guyana	MSc (University of Amsterdam)
2005 to 2013	<p>I have supervised several undergraduate research projects that have addressed issues such as: institutional aspects of illegal wildlife trade, community participation in management of natural resources, climate variability and impacts on sugar estates, protected areas and sustainable livelihoods, ecotourism, community-based disaster risk management, gender impacts of 2005 floods in Guyana, community disaster vulnerability, the role of religion in promoting public environmental education and awareness and a review of the institutional arrangements for implementation of the obligations of the UNFCCC and the UNCBD.</p> <p>For example, in 2012-2013</p> <p><i>Jewel Alleyne: An Examination of the Impact of Informal Environmental</i></p>		BSc

	<p><i>Education on Adults Visiting the Guyana Zoological Park</i></p> <p><i>Anita Wilson: An Investigation into the Vulnerability of Livelihoods and Structures (Buildings) to the Impacts of Flooding in St. Cuthbert's Mission</i></p>

9.0 Most Recent Contribution to Public Service

Period (from-to)	Name of Organization	Position	Service Provided
2024	Caribbean Examinations Council	Convenor. Environmental Science Panel	Lead process of reviewing and updating the CAPE Environmental Sciences Syllabus.
2021 to present	UNFCCC Kyoto Protocol Compliance Committee- Enforcement Branch	Chair	Provision of guidance on whether a Party included in Annex I (Annex I Party) is not in compliance with its emissions targets, the methodological and reporting requirements for greenhouse gas inventories, and the eligibility requirements under the

			mechanisms, and the consequences.
2021 to present	Global Water Partnership	Member of Steering Committee and Chair of the Nominations Sub-Committee	Provision of policy guidance to realise the organization's vision of a water secure world through the advancement and management of water resources for sustainable and equitable development.
March 2018 to present	Global Water Partnership-Caribbean	Member and Current Chair of the Executive Steering Committee	Provision of strategic direction of the GWP-C Programme, including the implementation of the approved work programme and budget.
April 2020 to present	Science Panel for the Amazon (SPA)	Member and Contributing Author	Provide, on a comprehensive, objective, open and transparent basis, information for a rigorous scientific assessment of the state of the diverse Amazon ecosystems, trends and implications for the long-term well-being of the Region, as well as explore opportunities and policy-relevant options for conservation and sustainable development of the Amazon. The Science Panel for the Amazon will produce the first scientific review to cover the entire Amazon basin and its biomes-- to be released in 2021.
December 2020-January 2021	Inter-Governmental Panel on Climate Change (IPCC)	Expert Reviewer	Review of Chapter 18 of the 6 th Assessment Report on Climate Change
2020 August	Caribbean Examinations Council (CXC)	Convenor	Independent Review Panel (IRP to review the CXC ® Environmental Science Digital Toolkit which was developed under the CDB-financed project, <i>Facilitating Environmental Change Through Accessible Learning Resources</i> .
July-August 2020	Global Water Partnership (GWP)	Juror	Water ChangeMakers Awards initiative Jury Process-Stage 1
September 2020	Advisory Panel G77 and China Climate Change	Member	Provide support and oversight of major undertakings of Guyana's chairmanship, including addresses to the UN for the 75 th Anniversary, High Level G77 meetings on COVID

			19 and development and on climate change.
Jan.2020- January 2021	G77 and China Climate Change Group	Chair	Convene and chair meeting; provide leadership with respect to the Group positions on various climate change issues etc.
May 2017 (Current)	Ministry of the Presidency	Lead Climate Change Negotiator	Participate in all regional and international UNFCCC meeting and propose recommendations for Guyana.
January - December 2014	Guyana Protected Areas Commission	Director	Guidance on establishment and management of protected areas in Guyana
June 2012	Government of Guyana	Member of Delegation to the Rio Plus 20 Conference in Brazil	Insights on green economy, REDD Plus issues and climate change
2011 -2016	Guyana Water Inc.	Board Member and Chairperson of the Water Sub-Committee	Technical support and advice on GWI's work programme and national roadmap for IWRM
2009 to 2016	IADB Civil Society Committee	Member	Feedback on and monitoring of IADB-funded projects in Guyana, plus advice on civil society programme of activities
10.0 Contribution to Professional Bodies			
Period (from-to)	Name of Organization	Position	Service Provided
2010 to present	International Impact Assessment Association	Member	Contribution to the work of IAIA and the profession through research and presentations.

2019 to present	Commonwealth Climate Resilience Network	Member	Sharing of knowledge to directly address the practical needs of universities and communities, and develop effective approaches to resilience and disaster preparedness.
2014 to present	Caribbean Examinations Council	Convenor, Green Engineering CAPE Subject Panel	Provide advice on framework of the syllabus, format of examination and school-based assessments.
2011 to 2015	President of Guyana's Multi-Stakeholder Steering Committee for the Low Carbon Development Strategy	Member	Guidance and feedback on LCDS programmes
2012 to Current	CDEMA Education Sub-sector Committee	Vice-Chair	Comments and guidance on Educational programme on disaster risk management in the Caribbean
2009-2012	Scientific Advisory Committee (SAG), FORENET, ACP Countries.	Member	Advice on research programme, plus mentorship.
2008-2012	Regional Team of Experts, Caribbean Disaster Management Project- JICA/CDEMA	Member	Advice and technical support on community disaster risk management programme in five pilot states in the Caribbean
11.0 Selected/Most Recent Short-courses developed and delivered			
Year	Title	Number of participants	Where held
2021	Environmental Science SBA Capacity Building Workshop	1028 teachers from CARICOM countries	Virtually (December 14-16-18, 2021)
2020	Green Engineering Teachers Training Workshop	30 teachers CARICOM Countries	Virtually (December 16-18, 2020)
2018	Green Engineering Boot Camp	25 teachers from CARICOM	Montego Bay, Jamaica
2012	Strategic Environmental Assessment (SEA)	29 Public Officials	Georgetown, Guyana
